Sir:

Applicants point out that in the attached Revocation of Power of Attorney, Substitute Power of Attorney and Change in Correspondence Address, the title of the Invention is improperly referred to as "VARIANTS OF ALTERNATIVE SPLICING" rather than the correct title of "VARIANTS OF PROTEIN KINASES". However, Applicants point out that the correct Applicant, correct application number (09/771,161), and correct filing date (January 26, 2001) have been noted. Additionally, the correct confirmation number of 8061 has also been noted. Accordingly, Applicants submit that the attached document is suitable for submission to the USPTO even in view of the incorrect reference to the Title of the application.
